

How the Marketplace Works

Create an account

First you'll provide some basic information. Sign up for Marketplace emails now and we'll let you know as soon as you can create an account.

Apply

Starting October 1, 2013 you'll enter information about you and your family, including your income, household size, and more.

Visit HealthCare.gov to get a checklist to help you gather the information you'll need.

Pick a plan

Next you'll see all the plans and programs you're eligible for and compare them side-by-side.

You'll also find out if you can get lower costs on monthly premiums and out-of-pocket costs.

Enroll

Choose a plan that meets your needs and enroll!

Coverage starts as soon as January 1, 2014.
